

Like it or hate it,
Facebook is probably
here to stay, and it
CAN be used as a
positive tool for
communities.

For the last seven years, **Roade Local History Society** has been harvesting images of the village, along with peoples' recollections of village life in times past, from its two Facebook groups: -

'Roade Remembered'
&
'Pianoforte Supplies Ltd'

After a short Annual General Meeting we will be displaying a slideshow of these historic images, many of which you may have never seen.

We will also be welcoming your comments on the photos, and hopefully you will be able to identify people, places or events so that we can add detail to our ever-growing archive.

Please come along – who knows, you may even begin to think more positively about Facebook..!

Members - £2

Non-members - £3

Children (under 16) of members – Free

Children (under 16) of non-members – 50p
